Yale University List Management Opt-Out:

To help GALA manage its mailing list, we will identify you as affiliated with Yale GALA in Yale's internal alumni / development information system (NOT visible to the public) unless you check No here: <input type="checkbox"/> Yes <input type="checkbox"/> No
Yale & AYA offer Yale GALA free, professional list management and updating, which is invaluable to Yale GALA. To do this, we identify you as affiliated with GALA in the University's system. It is NOT visible to the general Yale Community or public, but only to select Yale & AYA staff. "No" goes to a 2 nd mailing list—held only by Yale GALA and not disclosed to Yale—but is harder for us to manage. Please check "Yes" if you can. You can revoke your choice anytime by notifying Yale GALA.
